

MARK YOUR CALENDARS
&
SAVE THE DATES
JANUARY 14 18 2008

What can you do to keep warm this winter?
Learn to test backflow prevention valves, of course!

BECOME CERTIFIED TO TEST BACKFLOW PREVENTION
ASSEMBLIES UNDER THE TRAINING OF ONE OF North
Carolina's MOST EXPERIENCED & KNOWLEDGEABLE
INSTRUCTORS: MR. RONALD WEST, of INFOTEC, LLC.

The City of Asheville hosts the fourth Certified Backflow Prevention
Assembly Testers Class since 2003 at its Water Maintenance Facility,
174 South Charlotte Street, downtown Asheville. Don't miss this great
opportunity to earn your Certification & some extra cash!
